Presentation of Maths at Scantabout Primary School

- Write one digit in each square.
- Use a bracket to number your calculation.
- Leave an empty square between calculations.

	1)		2	4	+	3	2	=	5	6	
	2)		4	3	−	2	1	=	2	2	

- How to set out column method:

	3)		5	6		4)		7	5		
		−	3	2			+	1	4		
			2	4				8	9		

- How to set out decimals:

	5)		4 · 3			6)			3 · 8		
		+	5 · 6						7 · 1		+
			9 · 9					1	0 · 9		

- How to set out fractions:

	7)		4	$\frac{1}{2}$	+	1	$\frac{1}{4}$	=	5	$\frac{3}{4}$	
	8)		3	$\frac{1}{2}$	+	1	$\frac{1}{4}$	=	4	$\frac{3}{4}$
