

## School Uniform News

For many years the SSA has helped to provide a uniform service to parents & carers at Scantabout School. To do this we use money the SSA has raised to buy in the uniform from the suppliers (Brigade) and then sell it to you when requested. In order to do this we need to hold quite a bit of uniform stock within the school.

We would prefer it if all the money that we get from fundraising is directed towards useful projects and events that benefit the children and the school. At present this is not happening as a considerable amount is tied up in stock.

**Therefore we have decided from this point forward that the SSA will not be providing a uniform service within the school. Instead parents & carers will be able to order directly from the Brigade website [www.brigadeuniformdirect.uk.com](http://www.brigadeuniformdirect.uk.com)**

More details are provided on the leaflet overleaf.

Many parents have used this online service over the past year, and it is working well. It is now commonplace to order items from the internet, which is why we feel it is the right decision and the right time to do this.

Drink bottles and lids will still be available from the school office.

The remaining stock will be sold on various dates after school over the next few months; we will notify you of these in due course.
