Arrival at the classroom

When you arrive in the classroom there are a number of routines that you will learn to carry out. Initially with your grown-up's help but independently as soon as possible:

- ★ **Self-Register** - find your name on the interactive white board and make a mark on the image relating to what you will be doing at lunch time: Plate - hot school dinner; Lunch box - packed lunch.
- ★ **Put your full water bottle** (*this will be given to you, along with your giraffe bag, during your home visit, and should only be transported in your book bags if empty*) **in your colour group basket** to be found next to the sink in the classroom.
- ★ **Hang up your P.E. bag and giraffe bag on your peg.** (*These usually stay here for the half term and will be sent home at the end of each half term. If you wish to wash any items please make sure that items are removed on a Friday and returned on Monday morning*). (*Please note that any children wearing earrings, or other items relating to their faith or culture will need to remove them or ensure that they are covered with micropore tape for safety during P.E. sessions. You should provide the tape in your P.E. bag if this is the case.*)
- ★ **Hang your coat on your peg.** (*These are arranged in alphabetical order of your first name and will be identified by your name and photograph*).

Now go and choose an activity - inside the classroom. When you are happy let your grown-up know that they can go home and you will see them soon.

REMEMBER to give your grown-up a kiss because they will miss you while you are at school.
