Every person in the UK over 13 years old gets 10 votes, which can be used towards one project or split across multiple projects. The voting closes on Tuesday 20th November but please vote today and spread the word among your family, friends and colleagues!

The projects with the most votes will get through to the final judging round and we could be awarded **£5,000** to build the wall.

We have already received over 1200 votes which is amazing – thank you!
However, **many, many more votes** are needed to be in with a chance of getting to the next stage.
