

Weekly Bulletin - Thursday 6th December

Dear Parents

Toys, Trading Cards and Games

We have noticed an increase in the number of items that children are bringing into school from home. This is unfortunately causing arguments and distress if the items are lost or damaged. In the case of trading cards (eg Pokemon) there are regular disagreements regarding the fairness of trades. Please can we ask that you ensure your child leaves toys, trading cards and games at home. I thank you for your support with this matter.

Netball - no practice on Monday 10th December

Due to the darker evenings we have decided to finish netball after school club for the current year. Therefore there will be no session on Monday 10th December. Please arrange for your child to be collected at usual school finish time.

Christmas Post Box

The Christmas post box is now available for children to post their cards to friends. It will be situated in the reception area and your children will be able to post their cards during the school day.

Ball games

Please may we remind all families that ball games on the playground are not permitted at the beginning and end of the school day. This is to ensure the safety of all families on site at these times.

Outstanding dinner money

As the end of the school term is rapidly approaching we would appreciate all outstanding dinner monies to be paid in full. If you would like to check your balance or are yet to sign up for the online SCO payment system please contact the school office.

Dates for diary

Attached are the dates for your diaries.
