

Weekly bulletin - Friday 18th January

Dear Parents

With the weather getting colder please may we remind you of the importance of coats, hats and gloves and the need to ensure items are labelled. We no longer have a lost property area as we wish to return the property direct to the children instead.

Football At The End Of The School Day

Due to the number of parents and younger siblings within the school grounds at the end of the school day, may we give another little reminder that football in the playground is not permitted. Unless under the supervision of a member of staff eg After School clubs.

Weather Warning

In the event of bad weather in the coming months, where there may be doubt whether the school is open, we ask that you follow the procedures shown below. There is a list of school closures on the Hampshire Education website -

<https://www.hants.gov.uk/education/schoolclosures/> however, this may take some time to update.

We will attempt to email or text you as soon as possible via Parentmail. Please ensure your contact details within Parentmail are up to date. If you are having difficulties with your Parentmail account please contact the school office who are happy to assist.

If there is some doubt as to whether the school is open please telephone the school from 8.30am onwards, obviously if there is no reply we are likely to be closed. **Most importantly**, if you bring your child to school, please ensure that there is a member of the teaching staff on the premises before you leave. We all have some distance to travel and may be a little late in arriving due to the inclement weather!

For up to date weather information and severe weather warnings take a look at the Met Office website: <http://www.metoffice.gov.uk/>
