Headlice

Unfortunately there have been a few cases of headlice recently within the school. Please may we ask you to check your child's hair regularly. If lice are found it is recommended to treat the rest of the household. Regular wet-combing as part of routine hair washing is the best way to prevent the problem recurring. We would ask you to assist us by ensuring long hair is tied up and not loose.

Parking

Please ensure, for both road safety reasons and for the sake of our neighbours, that you are considerate with your parking. If you are a few minutes late for school pick up please do not worry as your child will remain safe within school. We would rather you park safely and considerately for all. Please also be considerate of local disabled parking spaces as these are only for use by those who hold a blue disabled badge.

Dinner Money Debt

Please ensure all outstanding dinner monies are paid in full by the end of this term. With the approaching end of the financial year we would appreciate all outstanding monies are settled. If you need assistance accessing your SCO Pay accounts please contact the school office who are happy to help you.
